Product Configuration	Exclusive
Parameters	
Length × Width × Height (mm)	4600*1860*1680
Wheelbase (mm)	2715
Seating Capacity	5座
Suspension Type	Front McPherson independent suspension/ Rear multilink independent suspension
Shift Mode	Electronic Shifter
Trunk Space (L)	480 / 1480
Curb Weight (kg)	1920
Driving mode	FWD
Motor Type	Permanent Magnet Synchronous Motor
Battery Type	Armored Electrical
Battery Capacity(kWh)	64.4
AC charging time (kw)	11
DC charging time (kw)	80
DC charging time (30%~80%) (min)	30mins
Maximum comprehensive power of power system (kW / ps)	150 203
Maximum comprehensive torque of power system (N · m)	340
Driving range (km)	WLTP : 400 , CLTC : 500

Exterior configuration				
LED High Beam	Panoramic Sky Roof	Rain-Sensing Wipers	Electric Side Mirror	19-inch Snowflake Aluminum Alloy Wheel
Skyline Integrated Rear light	Electric Rear Door	Rain-sensing Window		

Interior configuration				
14.6-inch Center Control Screen	Leather Steering Wheel	Driver Seat Ventilation and Massage	Electric Panoramic Sunshade	PVC Leather Sports Seats
8.8-inch Instrument Display	Electric Steering System	Driver Seat 10-Way Adjustment	Rear Seat Reading Light	Rear Center Console Air Vent
Apple Carplay	15W Mobile Wireless Charging	Passenger Seat 4-Way Adjustment	ISOFIX	

Safty Configuration				
Dual Front Airbags	Anti-lock Braking System	360 Panoramic View	Traffic Sign Recognition	Rear Cross-Traffic Alert
Front Seat Side Airbags	Advanced Driver Assistance Systems	Electronic Brakeforce Distribution	Intelligent Speed Adaptation	Rear Collision Warning
Front & Rear Head Airbags	AEB-C Car-to-Car	Electro-Hydraulic Brake System	Lane Change Warning System	Front Parking Sensors
AUTO HOLD System	AEB-P Pedestrian	Electronic Parking Brake	Lane Change Assist	Rear Parking Sensors
TPMS	ACC-Stop&Go	Electric Power Steering	Lane Departure Warning	Forward Distance Monitoring
Seatbelt Reminder	Blind Spot Detection	Traction Control System	Lane Keeping Assist	Forward Collision Warning
Driving Assist Simulation Display	Door Open Warning
